November 2024

Our Month in Review

Cllr Ben Taylor & Cllr Mike Shirley
Blaby District Councillors for Fosse Highcross

Cllr Mike Shirley

Cllr Ben Taylor

It has been a busy month for us working hard for residents, we continue to do our bit representing Fosse Highcross at Blaby District Council. We have had large planning applications come in, such as the 134 homes in Sharnford (page 8 for more info), the South Leicestershire Pensioners' Fair and, Parish Council meetings at Sapcote, Sharnford and Aston Flamville. Christmas has arrived early in Sapcote Garden centre, do try and get down if you can, enjoy the displays and grab a drink in their excellent café.

Over the last few weeks, we have been delivering our Blaby District Council Conservative Group intouch leaflet. Showcasing the work we have done as a Council and the challenges ahead.

As we approach the colder months our ask is please do keep an eye on your neighbours and vulnerable residents, especially at a time when costs for heating are high.

Around the District

Come and join Cllr Mike Shirley on his weekly exercise to strengthen his limbs and walk further.

Steady Steps Plus classes are ongoing weekly exercise classes for those that would like to improve and maintain their strength, balance, and fitness. They were originally designed as the follow on from the Steady Steps 24-week programme to enable participants to continue exercising once their programme had finished and have proved popular ever since.

Our classes are ideal for anybody who has completed a Steady Steps programme, would like to become more active, or would benefit from improving and maintaining their strength, balance and mobility.

Delivered by our friendly and experienced instructors, our sessions run each week at a number of venues across Blaby, Oadby & Wigston.

Please click the link to find the list of steady steps Plus classes.

Business Breakfast Event

Blaby District Council ran our hugely successful business breakfast event last month ✓

Hats off to the Council Officers for organising 🙌

It was great to see a local resident attend too, Jack Feast. Jack runs a local engineering business in Sharnford 👍

More info 🙌 <https://www.blaby.gov.uk/business.../business-support/>

Nominations open to recognise unsung community heroes

Community heroes and groups who go the extra mile across Blaby District are set to be recognised by the District Council.

Nominations are open for the fourth Blaby District Council Community Awards, to celebrate and reward local groups and volunteers who make a real difference to people's life.

The award categories are:

- Volunteer of the Year
- Young Volunteer of the Year
- Community Group of the Year

Nominations close at midnight on Sunday 10 November.

Visit www.blaby.gov.uk/community-awards for more information and to nominate. Email or paper forms can be requested by emailing vcshub@blaby.gov.uk.

A panel of judges will decide the winners and runners-up in the volunteer categories. Winners will each receive £100 and runners-up £50 as well as being able to nominate a local charitable organisation to receive a cash donation.

The Community Group of the Year award is for organisations that really make a difference to the lives of Blaby District residents through the services they provide. This could be a local community group, sports club, charity or social enterprise. Last year's winner was **Sapcote Memory Hub CIC**, with Blaby and District Spartan's Inclusive Football Club taking the runner-up prize.

The Community Group of the Year, crowned following a public vote, will receive £1,000 and the runner-up organisation will win £500.

The 2024 Community Awards are sponsored by Everyone Active, Central Co-Op and the Love Blaby Lottery.

Full details of the Community Awards, including the entry criteria, judging process and prizes can be found at www.blaby.gov.uk/community-awards.

HNRFI Update – Decision Phase

The Hinckley National Rail Freight Interchange will remain in our monthly reports until the final decision is made by the Secretary of State.

HNRFI decision delayed

We learned earlier this month that the Secretary of State for Transport was delaying making a decision on the Hinckley National Rail Freight Interchange. The recommendation from the Planning Inspectorate’s Examination

Authority, after their six-month review into the scheme, was that it should be rejected. We are sure you will all agree this was absolutely the right recommendation. So, we are hugely disappointed that the Secretary of State, Louise Haigh, has not thrown the scheme out. Instead, while saying she is *‘minded to refuse’* the hub she has asked for more information and delayed the final decision until March 2025. Developers, Tritax Symmetry, now seem to have another chance to convince the Secretary of State the monstrous project should go ahead. we simply cannot fathom why Ms Haigh has not followed the recommendation and refused permission. At every stage of the process Tritax have failed to address key issues and impacts in relation to traffic, landscape, noise and nuisance. How is this going to change? This project would destroy the rural nature of our District forever and must be vetoed.

But again, we must wait for government to decide our fate.

New Local Plan

We continue to work on our Local Plan which will guide growth across the District up to 2041, shaping where housing, employment and retail sites should be developed and where development should be restricted. However, now the government has launched a consultation on changes to the National Planning Policy Framework (NPPF), we will need to review our proposals in the light of this. The consultation provides guidance to all local authorities about development, including the reintroduction of mandatory housing targets. The consultation ends today, and we have provided our

best response. We will be keen to learn how any changes will impact our plans, timescales and potential housing numbers
Updates will be provided as soon as there is an understanding of the impact for Blaby District. This will include a review of Local Plan timescales and housing targets

For the latest info on our new local plan, please see Blaby District Council's dedicated webpage:
<https://www.blaby.gov.uk/planning-and-building/local-plan/new-local-plan/>
